

Heckington St Andrew's Church of England Primary School Newsletter

Dear Parents and Carers,

As half term approaches, I would like to thank everyone in the school community for the very warm welcome I have received. I have really enjoyed my first half term and getting to know everyone.

Our first parents' forum will be held on Tuesday 20th February and, in order to ensure that as many of you can attend as possible, there will be two forums: one at 2.30 p.m. and one at 6.00 p.m. At our first forum, I would like to discuss with you the outcomes of our Ofsted report and would very much value your ideas and input so I do hope you will be able to attend. Refreshments will be served at both forums.

I hope you all have a lovely half term break and the children come back to school refreshed and ready for lots of exciting learning.

Yours sincerely

Mrs J Bentley

Following discussions with children during our safer internet activities, it has come to light that a lot of the children in school are either playing or were aware of the app called ROBLOX.

To advise you on ensuring that your child is using this App safely and appropriately we have provided some information from the Lincolnshire Safeguarding Board on ParentHub. If you would like a paper copy of this information, please ask at the Office.
