Year 4 have nearly finished making their elastic band powered cars in DT!
We'll be testing these next week.

On Thursday, Willow Class enjoyed a trip to Cranwell Aviation Heritage Centre. We worked in groups led by expert staff from the centre. We learned about the science behind flight by conducting an investigation using balloons and a piece of string. We learned that the more air inside the balloon, the faster and further it travelled. We also learned about Morse Code and made bead bracelets which spelt out our names. We then learned about a significant individual called Noor Inayat Khan who was a spy for the Royal Air Force during WW2. In the afternoon, we enjoyed exploring the exhibits which included a flight simulator, magnetic supply drop simulator and viewing the Jet Provost. The children had a fabulous time and showed respect and responsibility throughout the day.
