Year 1 Autumn 1

Marvellous Me!

This half term, we will consolidate the skills we learnt in Reception; focusing on letter formation and writing simple sentences, and working with numbers to ten. We will kick off our topic by visiting the home of a local hero, Sir Isaac Newton. We will discover why he is important and think about our own heroes and the people who are special to us. We'll learn about our bodies and explore the importance of our senses. After studying maps and researching the difference between villages, towns and cities, we'll think about what it would be like to live in different places. We'll also create colourful self-portraits in the style of Frida Kahlo. British sporting excellence is paid tribute to when we learn gymnastic skills and develop our hand eye co-ordination.

English	Letter formation, labels, lists and captions.
Maths	Place value, addition and subtraction.
Science	Animals including humans.
RE	What do Christians believe God is like?
Music	Singing and rhythmic patterns.
Art and Design	Self portrait; drawing and painting.
Geography	Comparisons of human and physical geography (between Heckington village, Sleaford town and Lincoln City) and map work.
History	Study of a famous person from local history (Sir Isaac Newton).
PE	Gymnastics (indoor) and Hand/Eye Co-ordination (outdoor).
PSHE	Being Me in My World.
Computing	Using technology and being safe.
