

Heckington St Andrew's Church of England Primary School Newsletter

16th May 2019

Dear Parents and Carers,

Well done to all of the children in Year 2 and Year 6 who have worked very hard on their SATs; the children in Year 6 also enjoyed their tasty breakfasts! We are very proud of all of the children and their positive attitudes this week.

A letter is coming home tonight via parent hub regarding a change of date for sports day. Unfortunately, we have had to change the date and we apologise for any inconvenience that this may cause. Hopefully we have given you sufficient notice to arrange to join us on that day.

A reminder that we will be holding a "crazy glasses" day on Monday 20th May to raise money for Childhood Eye Cancer Trust. Mrs Baldock ran the London Marathon last month in aid of this charity and it would be lovely if we could add our support as a school. Please see the flyer coming home tonight for more information.

We do hope you will join us next week for our open classroom sessions and class worships. It will be lovely to share and celebrate the children's high quality learning from their projects this term.

Yours sincerely

Mrs J Bentley
Headteacher

CRAZY GLASSES DAY ~ MONDAY 20th MAY

~ Design, make and wear your own crazy glasses on Monday and donate £1 to Childhood Eye Cancer Trust.

~ All you need is card, glue, paint, glitter, feathers or flowers etc. You could make a pair of glasses from pipe cleaners, cardboard tubes and lolly sticks! Have fun!

SPORTS DAY

Friday 21st JUNE

Please see the **new** diary date planned for Sports Day, weather permitting.

Times to be confirmed but will include a picnic lunch!

Protect Our Earth

- Come along and learn more about wildlife conservation from local wildlife experts.
- Opportunities to meet those working to preserve our hedgehogs, bats, birds, bees, amphibians and other species. What can we discover in our churchyard?
- Come along and experience the Creation Station – the church will be transformed by the local community into an artistic interpretation of our planet: including the creation story, rainforest canopy, ocean life, woodland, jungle and insect life and more.....
- Lots of fun wildlife activities, nature trails, arts and crafts activities, stalls and games for all the family.
- Light refreshments served all weekend.
