Science- The Heckington Way

Science in school this week:

This week sees the launch of a world wide space travel celebration. World Space Week launches Friday 4th October and is celebrated until 10th October. We are going to honour this by hosting a whole school **Science day** on **Friday 4th October**. Did you know that it has been 50 years since Apollo 11 landed on the moon?

Every child in school will engage in a range of activities across the whole day on Friday as we celebrate the journeys taken in science that have led us to the world we know today.

Can you find out the names of the first people to safely walk on the moon?

Every child in school will engage in a range of activities across the whole day on Friday as we celebrate the journeys taken in science that have led us to the world we know today.

BookPeople **Book Fair**
Nurturing a love of books bookpeople.co.uk

We have the Book People Book Fair in school **every afternoon**, starting Monday 14th October at 3.30pm, all week. There will be over 150 books to choose from with 70% off RRP. We are also looking for volunteers to help man the stall every day from 3.30pm for approximately half an hour. Please let us know at the Office if you can spare any time, any help would be most appreciated.
