Happy New Year

Dear Parents,

Welcome back to school and a very Happy New Year! It is lovely to see how well the children have all settled back into school and are ready for their exciting new learning topics this term.

We have started our new system of coming into school at the beginning of the day. We will be continuing to monitor how this is going over the next week or so. If you do have any feedback for us, please do let us know.

Coming home tonight, via Parent Hub, are the key dates up until half term. We will get the dates out for Spring Term 2 as soon as they have been finalised.

Yours sincerely

Mrs Bentley

Car Parking

This week we have been notified that parents are parking in the 'passing area' along the road up to the Pavilion which is causing problems for other drivers. Could we please ask you to be considerate at the start and end of the school day and park in the Pavilion carpark rather than on the access road? Thank you for your cooperation.

Having a clear out after Christmas?

We would appreciate any donations of unwanted toys or board games.

If you have anything please drop it off at the office and we would be most grateful.
