

# Heckington St Andrew's Church of England Primary School Newsletter

10th October 2019

## Dear Parents and Carers

Silver Birch have been learning about the Amazon Rainforest.

Did you know that it has burning for over 3months? This is not good because without trees there is no oxygen.

We are doing a bake sale on Thursday 17th October at playtime. Please bring in 50p to buy a cake. After we get all the money we need it to go towards the WWF. The WWF stands for World Wildlife fund.

Please do some baking and bring in cakes, cupcakes, brownies, cookies, whatever is sweet and sugary! Everyone loves cake, who doesn't? A little donation will help save a little animal's future.

From Molly and Silver Birch class.

## Science- The Heckington Way

### Science in school this week:

Last week the whole school enjoyed a full of day Science. Investigations included opportunities to apply mathematical skills, communication and oracy skills, engineering ideas and to develop art and design skills. The children embraced a range of activities across the school, spending time with different class teachers to build rockets, create circuits, make mini explosions, explore how germs travel, design make and land lunar modules and launch rockets over the school!

### Did you know?

One of our house namesakes, Isaac Newton, developed principles and theoretical study that ultimately led to man landing on the moon. In March 2020 a further mission to land a rover on Mars will take place. Can you impress Mr Fuller with some interesting facts about Isaac Newton?

Thank you to all those who donated bags of old clothes. You raised a great total of £70.00 for PTFA funds.

We have the Book People Book Fair in school **every afternoon**, starting Monday 14th October at 3.30pm, all week. There will be over 150 books to choose from with 70% off RRP. Please do come and have a look!!

# Are you looking for a primary school place for September 2020?

## Come and see what we can offer!

Heckington St. Andrew's Church of England Primary School would like to invite you to join us for an open afternoon on Tuesday 12<sup>th</sup> November 2019 2.30 p.m. - 4.30 p.m. and an open morning on Tuesday 19<sup>th</sup> November 2019 9.30 a.m. - 11.30 a.m.

We believe that Heckington St. Andrew's is a special place for your child to learn and grow and we work very hard to value every individual and provide the very best for every child in our care. Our aim is to inspire, engage and motivate our children to ignite a passion for learning so that they can succeed and reach their full potential. We provide a creative and nurturing environment where children can explore, discover and learn through real life experiences to build the foundations for a lifelong love of learning.

We fully believe that a strong partnership between parents and staff is essential and so we operate an open door policy and encourage parents to be fully involved in their child's education. We have strong links with the local community including St. Andrew's church.

Whilst academic success is important, at St. Andrew's we strive to educate the whole child through a varied, engaging curriculum and extra-curricular activities as well as encouraging interest in the arts, music and sport.
