

Heckington St Andrew's Church of England Primary School Newsletter

1st July 2021

Dear Parents/Carers

We would like to thank you all for your support and understanding during our very challenging week.

We would like to reiterate that all decisions were not taken lightly and we have at all times followed the instructions from Public Health England, which in this case was to close the Reception class bubble.

We understand that this will have caused inconvenience to your family and work, however, please be assured that these measures are in place for the protection of everyone.

On another note we do have lots planned for the end of the school year, albeit in a slightly different way to usual. We have a talent show and bake off organised by the Learning Council, the Year 6 outdoor productions, climbing wall and trips. School still has that end of year buzz, despite covid restrictions.

Thank you once again for your patience.

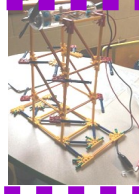

Best wishes

Judith Bentley

Head Teacher

Year 4 Learning about angles using manipulatives

Year 5 have been making these in the Viking Link Workshop

PTFA ICEPOP FRIDAY

The PTFA will be selling ice pops after school for 20p. Please have the correct change so we can all social distance. Enjoy!

Rowan class had a special visit from Robert, the Giant African Land Snail, on Monday as a part of their work on classifying vertebrates and invertebrates.

Uniform can now be tried on and purchased in Sleaford. Please look at Arion Shop website for further information.

- 12/07/2021 Year 6 Hilltop trip (12-16 July 2021)
- 21/07/2021 Last day of term

Heckington's Got Talent

Brought to you by HSA Learning Council

We have been organising an end of term event that we can all enjoy in our class bubbles and are excited to announce that we will be hosting the very first Heckington's Got Talent on Friday 9th July.

The first event is the Bake Off!

Please make sure baked items are brought to school in a secure tub, with a clear label/ sign that details its ingredients, who made the item and what it is called. Entries are to be taken to the Bake Off table in school hall on Friday morning. Judging will take place during the morning and awards presented in the afternoon. Anyone is welcome to enter, parents too! We just ask for details of ingredients for allergens.

The second event is our Talent Show.

We have had so many entries that we will be performing in our classes on Thursday then voting for our favourites. The winners will then perform in the main event on Friday outside, to their key stage group.

Please ensure any costumes, music, props or items needed for the talent show are in school on Thursday for the heats taking place in classrooms.
