

Heckington St Andrew's Church of England Primary School Newsletter

3rd December 2020

Dear Parents and Carers,

The children have been busily rehearsing for our whole school Christmas production and we are excited to begin filming this next week. If you haven't already returned your consent form for the Christmas Production DVD, then please do so as soon as possible as the deadline is tomorrow and if the consent form has not been returned then they will not be able to take part.

As we approach the end of term, we know that a lot of children will want to send Christmas cards to their teachers and friends. We have discussed how this can be done in a Covid-secure way and have decided that this year the children will only be able to send cards to the children and adults in their class bubble. Could we please ask that for all cards to be sent into school by next Friday, so that they can be quarantined over the weekend before being handed out to the children in the last week of term. Thank you for your co-operation with this.

Finally, can I please just remind you that the one system at the beginning and end of school is still in operation and will be for the foreseeable future. Can I please therefore ask that you follow this system at all times so that we can ensure the safety of the whole school community.

Yours sincerely

Mrs J Bentley
Headteacher
