

# Heckington St Andrew's Church of England Primary School Newsletter

14th January 2021

Dear Parents and Carers,

I hope that this newsletter finds you all safe and well and that you are managing to find a new routine that works for you and your family.

On behalf of all of the staff in school, I would like to say thank you for how well the children are engaging in the remote learning, as this could not happen without your support. The teachers are constantly sharing the excellent learning that is taking place with me and we could not be more proud of the children for how well they have adapted yet again to this disruption in their lives. We know that it is challenging and hard work but please keep going as it will make a real difference when we can all finally return to the school building.

Yours sincerely

Mrs J Bentley  
Headteacher

Thank you so much to the anonymous person who kindly sent us these delicious brownies.

It certainly lifted our spirits and is much appreciated.
