

Heckington St Andrew's Church of England Primary School Newsletter

17th September 2020

Dear Parents and Carers,

To ensure that we are continuing to meet the requirements of the 'General Data Protection Regulations' (GDPR), we need to re-seek your consent for using photographs or videos of your child on our website, internal displays, Twitter, Parent Hub or in the local media. We are therefore sending home tonight our multi-purpose consent form, and would appreciate it if you filled this out and return it to the school office by Friday 25th September.

Additionally, we have also updated our ICT and Internet Acceptable Use Policy. We are trying to be more environmentally friendly and this policy can be found on our website by clicking on this link:

We are sending home tonight the acceptable use of the internet agreement for parents and the children and we would be grateful if you could read our new policy and sign and return these forms, by 25th September.

Finally, we have a new Mobile Phone Policy and this can again be read on our website by clicking on the following link:

Should you require a hard copy of either policies, then please ask at the office.

Yours sincerely
Mrs J Bentley
