

Heckington St Andrew's Church of England Primary School Newsletter

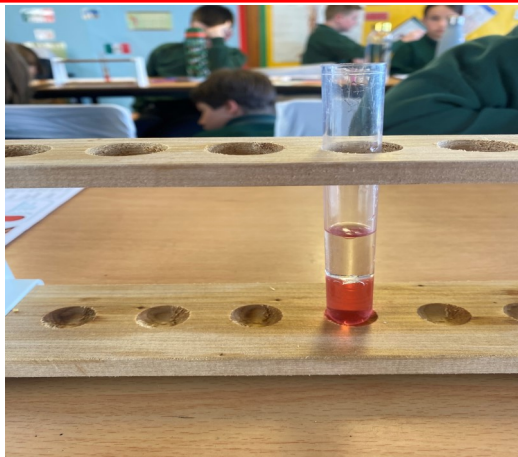

22nd April 2021

Dear Parents / Carers,

We hope you all had a wonderful Easter break. It has been lovely to welcome everyone back to the start of the Summer term, I'm so pleased at how well the children have engaged in their learning this week.

Best wishes
Judith Bentley
Head Teacher

Year 6 have made "blood". We mixed oil, water and vinegar in the correct proportions to represent plasma, red blood cells with platelets and white blood cells.

Which of the formed elements do you think makes up the least amount of our blood?

Reception class are asking for donations of any pots, pans, utensils or any unwanted musical instruments for their music wall and a mud kitchen!

Any kind donations can be received at the office.
