

Heckington St Andrew's Church of England Primary School Newsletter

25th February 2021

Dear Parents / Carers,

We are delighted that we will soon be welcoming all of the children back to school from 8th March and I am sure, like us, you cannot wait for that day! We are just finalising arrangements and revisited our risk assessments and I will be sending out further information about this return on Monday. In the meantime, please do try to keep on going with the home learning for a little while longer as this will really help the children when they return on 8th March.

Mrs Norris has now started her maternity leave and we wish her all the very best. We welcome to our school team Mrs Carina McMorran who will be teaching Maple Class (Year 1) on a Thursday and Friday.

Yours sincerely,

Judith Bentley
Head Teacher

<https://www.willoughby-foods.co.uk/>

Willoughby Foods have now opened their website ready for schools fully re-opening on 8th March.

Please order your child's meal by Tuesday 2nd March at midnight for w/c 8th March.

Please also note that Willoughby Foods are able to do an automatic order if your child has free school meals or the universal infant free school meals (Reception to Year2) Please contact us should this be of interest to you.
