

Heckington St Andrew's Church of England Primary School Newsletter

23rd June 2022

Dear Parents/Carers

We have had our new reception children visit for two transition sessions recently and they have settled very well. We are looking forward to them all starting at Heckington in September.

Next Friday, we have our transition 'move up' day, where the children will be able to spend a day in their new classroom with their new teacher, ready for September.

We are very excited about our sports day on Monday. It is wonderful to finally be able to invite parents and carers in to watch the races and join in with a whole school picnic lunch. Please see the details below for timings and which entrance to use.

Finally, tomorrow is our fund raising day for Tuberous Sclerosis. We're looking forward to seeing all the children in crazy, wacky clothes! There won't be a charge for wearing non school uniform as we are holding sponsored walks and the cake sale.

Yours sincerely

Mrs Judith Bentley

Head Teacher

Sports Day - Monday 27th June 2022

The sports morning for Reception and Key Stage 1 (Oak, Maple and Willow Classes) will start at **10.30 a.m.** and will last for approximately one hour.

Gates will open at 10.00 a.m. and please enter through the gate to the field on Cowgate.

All parents and carers are invited to join us for a whole school picnic between 12.00 and 1.00 p.m. (entrance via Cowgate)

The sports afternoon for Key Stage 2 (Chestnut, Rowan, Silver Birch and Hazel Classes) will start at **1.20 p.m.**

For those parents and carers joining us after lunch, the gates will re-open at 1.00 p.m. once lunch has finished. Again, please enter through the gate to the field on Cowgate.

Little Windmills

If you have any old toys, such as board games, dressing up clothes, dolls etc, these would be gratefully received and used by Little Windmills.

Hazel class had a brilliant day at the Church Schools Festival this week, in Lincoln Cathedral. They explored the discovery interactive room, designed stained glass windows, dressed in robes and had a choral practise in the Chapter House. Candles were lit by worship wardens in remembrance and the school banner was proudly carried.

Friday 24th June 2022

We are going to hold a fundraising day for the Tuberous Sclerosis Association. We have a little boy in school who suffers with this condition. Tuberous Sclerosis causes non-cancerous growths to develop in different organs around the body, causing various complex needs and learning difficulties. It is a lifelong condition, and it is estimated that between 3,700 – 11,000 people in the UK live with Tuberous Sclerosis.
