

Heckington St Andrew's Church of England Primary School Newsletter

30th September 2021

Harvest

We will be collecting donations for the New Life Community Larder and they are particularly looking for tinned, jarred or boxed produce. Please bring any contributions to school on the morning of 1st October and we will have a collection point in each classroom.

Thank you for your kind donations.

Learning Council

We have now appointed the Learning Council representatives.

Look out for the children proudly wearing their badges around school.

Ask them what they do and what is their role in school?

☆ Planetarium visit

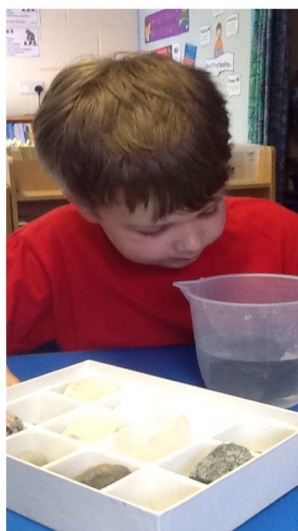

We are so excited for National Space week and the Planetarium visit on 7th & 8th October. We would really appreciate your donation of £2.92 if you haven't already done so on ParentPay.

Templates for the Space challenge are coming home tonight to enter a competition to win wonderful Space week prizes!

In our science lessons this week, Rowan class we have learned about the different links in a food chain (producer-consumer-prey-predator). To help us understand this we made our own physical food chains.

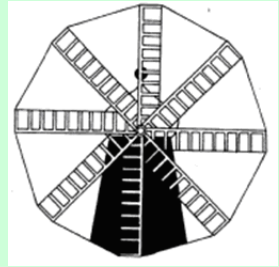

This week, Chestnut class tested the durability and permeability of igneous, metamorphic and sedimentary rocks. We carefully scraped them to test their durability and assessed this against their main uses. We then tested their permeability, by placing the rocks into water and looking out for the appearance of bubbles from the rock. We found that merely because a rock belongs to a certain type, this does not determine its suitability for certain uses. For example you could use granite, an igneous rock to build a work top in a kitchen, but you definitely would not use pumice, another igneous rock for the same thing. We discovered that each rock had different properties and therefore these properties determined their uses, irrespective of the type of rock they are.

Diary dates

- 7-8.10.21—Whole school planetarium visit (school site)
- W/C 11.10.21 —Parent's evenings (details to follow)
- 20.10.21—Year 6 Open mornings to Carres/KSHS
- 21.10.21— Bag2School
- 21.10.21— Last day of term
- 01.11.21- First day of term
- 04.11.21— Wrates photographer
- 17.11.21— NHS flu vacs (nasal spray)

Little Windmills

We now provide breakfast club from 7:30am and after school club up until 6:00pm. **Please book the sessions you require via parent pay.** We have lots of fun craft and sports activities to join in with.

To find out more, please contact the office on
01529 460633 or
enquiries@heckington.lincs.sch.uk

Are you looking for a primary school place for September 2022?

Come and see what we can offer!

Please come and have a look around our lovely school on the following dates:

Tuesday 12th October 1.30 - 3.00 p.m.

Monday 18th October 4.00 - 6.00 p.m.

Wednesday 20th October 9.30 - 11.00 a.m.

Please contact the school office to book your place. If you are unable to attend on these dates, please call us to arrange an alternative time to look around.

"We definitely chose the right school for our son".

We provide a creative and nurturing environment where children can explore, discover and learn through real life experiences to build the foundations for a lifelong love of learning.

We believe that Heckington St. Andrew's is a special place for your child to learn and grow and we work very hard to value every individual and provide the very best for every child in our care.

"My child has flourished at Heckington".

Contact us on: 01529 460633 or email: enquiries@heckington.lincs.sch.uk.
Please also visit our website at: <http://www.heckington.lincs.sch.uk> to find out more about our school.
