

Heckington St Andrew's Church of England Primary School Newsletter

18th November 2021

Dear Parents and Carers,

This week we have been focusing on anti-bullying week and I have been so impressed with how well the children can talk about and understand what bullying is and what to do if they see it happening. The focus for this year has been "One Kind Word". In a world that can sometimes feel like it's filled with negativity, one kind word can provide a moment of hope. It can be a turning point. It can change someone's perspective. It can change their day. It can change the course of a conversation and break the cycle of bullying. Best of all, one kind word leads to another. Kindness fuels kindness. So, from the playground to Parliament, and from our phones to our homes, together, our actions can fire a chain reaction that powers positivity. It starts with one kind word. It starts today.

Yours sincerely

Mrs J Bentley
Headteacher

Toasty Tuesday

As 'Toasty Tuesday' was a huge success, we will be continuing! Children will be able to purchase a slice of toast (buttered) for 20p.

To book your child a Christmas lunch on 17th December you will need to register with Ideal Foods, if not already registered.

visit www.schoolmealsonline.com and select 'Parent Register'

During our History club this week, we have been looking at different artefacts from different eras in History. We used our enquiry skills to infer which part of History they were from and what they were used for. We then found out which period they were from and what they were used for and compared our answers with the actual answers. Many of us were very accurate.

Please can we remind you to take care and be mindful of pedestrians, whilst driving, on the way to and from school. Thank you for your support

Thank you very much for helping raise £229.55 for the Poppy Appeal!

Don't forget it's non school uniform day tomorrow with a donation of £1 for children in Need. There will be cakes for sale for 50p each!

Amelia from Heckington Veterinary Clinic visited Reception class this week. Thank you for spending time with us!

Amelia told us what her job entails - looking after poorly pets, helping the vets with surgery, making pets feel better, administering medicine etc.

We used the stethoscope to listen to each other's heart beats.

We used the syringes to measure and administer the water (medicine)

We wrapped bandages around the dogs to make them better. The children were particularly good at applying bandages.
