2nd May 2024

Stay Safe Partnership's Upcoming Online Safety Q+A events for Parents

In our 2023 Keeping Safe Survey Lincolnshire showed that effective parental/guardian supervision of a child's online activity reduced the risk of children being bullied online by up to 34%. Being able to keep up to date with the latest apps and trends in order to keep your children safe can feel like an overwhelming task. The Stay Safe Partnership deliver Online Safety workshops in Primary and Secondary schools across Lincolnshire everyday. In this event we will give you the most up to date information and tools, so you feel confident that you can keep your children safe from online harm whilst still allowing them to explore the online world. Whether you want to know more around age appropriate apps, online trends, parental controls, social media or any other burning questions this is the event for you! Sign up is required.

Letters from

David Attenborough

Having been inspired by Theo and his admiration of Sir David Attenborough, the Chestnut staff team decided to share the children's writing with a man who inspires others everyday with his own knowledge and commitment for the natural world.

We felt given his wealth of experience, he would be a great judge of the learning we have achieved. Sending a letter directly to Sir David Attenborough and have him reply has been a great opportunity to celebrate the children's work. It will hopefully encourage them to continue writing using their knowledge from reading to engage an audience beyond those in the classroom. We are hoping it has inspired the children to aim high and show that anything is possible with some hard work and determination.

Mrs Desmond and the Year 3 team

As Walt Disney once said, "All of our dreams can come true, if we have the courage to pursue them."

Some of the Year 3 children with the letter from Sir David Attenborough
