

# HECKINGTON ST. ANDREW'S C OF E PRIMARY SCHOOL NEWSLETTER

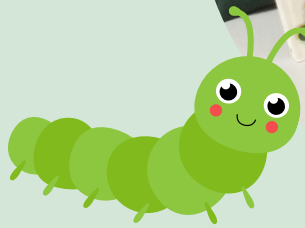

14th March 2024

Dear Parents and Carers,

It was a real pleasure to spend last week at Hilltop with the Year 6 children. I am sure I can speak on behalf of all the children on the trip when I say that they have had a fantastic week away, full of attempting new and varied challenges. Hilltop's motto is "challenge by choice" and they talk about moving from the comfort zone into the stretch zone and everyone moved into the stretch zone at some time during the week. We could not be more proud of everything they achieved whilst away. I would like to take this opportunity to thank Miss Coogan and Mrs Harris who gave up their time and accompanied the children on the residential.

Next Wednesday, we will be holding our science and R.E. exhibitions and we do hope that you will join us at the end of the school day so that the children can share with you their learning in these subjects. The exhibitions will be held in the classrooms.

Yours sincerely  
Mrs J Bentley

Oak Class - Our current story is the hungry caterpillar. We are learning the lifecycle of a caterpillar. We have our own caterpillars - watch this space to see if we can nurture them into butterflies.

## Diary dates

20th March - Science and RE exhibition 3:30pm - Parents invited

27th March Year 3 Class worship 9.00am parents/carers invited

27th March PFA Disco - details to follow

28th March - Easter service in Church Year3/4/5 9.30am
