Dear Parents and Carers,

5<sup>th</sup> June 2025

As we settle into this new term, I'm delighted to see how well our pupils have returned, showing real enthusiasm and readiness for their learning ahead.

Our pupils recently had a fantastic time on the climbing wall this week, which gave them a brilliant opportunity to build both physical skills and personal confidence. The enthusiasm and determination they showed was lovely to see.

Looking ahead, we have a busy and exciting term planned. Please do keep an eye on key dates and events so you don't miss any important opportunities to be part of your child's educational journey.

Best wishes,  
Judith Bentley

## OUR SCHOOL VISION

By our whole school community living by the Christian principles of respect, resilience, relationships, reverence and responsibility, we will produce children ready for the next stage of their lives.

Five Rs = Ready for Life

"I have come that they may have life, and have it to the full." John 10:10

Silver Birch Class had a fantastic time learning to cook their very own bolognese sauce! As part of the experience, they explored key lessons in food hygiene and food safety, making sure their cooking environment was clean and safe. They mastered essential knife skills, using the claw and bridge methods to carefully chop onions, carrots, and celery. Along the way, they also discovered the difference between frying and simmering – becoming chefs in the making!

After creating their delicious sauces, the children designed their own food labels, complete with eye-catching designs, ingredients lists, and nutritional information. They all took their sauce home to share with their families.

A big thank you to Mr Cinavas and Miss Martin for coming in to help – we couldn't have done it without you!
