8th May 2025

Dear Parents and Carers,

Today, we had the privilege of commemorating the 80th Anniversary of VE Day, a significant milestone in our nation's history and the children have been immersed in learning about the importance of this event. They've created some fantastic artwork to mark the occasion, which you'll be able to see at our arts exhibition at the end of term.

Next week, our Year 6 pupils will be sitting their SATs. We are all really proud of how hard they've worked to get ready for these tests. They've shown real dedication, and I'm sure they'll do their very best. We're all rooting for them and know they'll give it their all.

Yours sincerely,
Judith Bentley
Head teacher

Diary dates

12th June - Year 4 Mini Olympics Grantham

27th June - Transition Day

3rd July - year trip to Woodside

In Science Willow Class are learning all about what conditions plants need to grow. We have planted our own bean plants and are very excited to see that some of them have started to grow after a week! We have also planted a bean in different conditions, taking away light, warmth and water to see how these will affect their growth. We hope our beans will grow nice and tall!
