Dear Parents and Carers,

We have a very exciting afternoon planned for the children tomorrow! A visiting pantomime group will be joining us to perform Dick Whittington, bringing plenty of laughter and festive cheer. This special performance has been fully funded by the wonderful work of our Fundraising Team, who have used the monies raised to provide this Christmas treat for the children. Please note that the pantomime is for the children only.

Looking ahead, we are delighted to invite you to our Christmas Fair next Wednesday. The fair will begin at 3:30pm, straight after school, and promises to be a joyful event filled with games, refreshments and lots of festive fun. We hope to see many of you there supporting the school and enjoying the celebrations.

Finally, a gentle reminder to please remain polite, respectful and courteous with all parents and carers during drop-off and collection times. A positive and considerate atmosphere helps keep our whole school community safe, calm and welcoming for everyone.

Thank you, as always, for your continued support.

Yours sincerely

Mrs. Judith Bentley

A group of five children are walking outdoors on a paved path. They are dressed in winter clothing, including coats, hats, and gloves. The child on the far left is wearing a brown coat with a fur collar and is holding a white paper. The child next to them is wearing a dark blue coat and glasses, also holding a white paper. The child in the center is wearing a red and black jacket and glasses, holding a white paper. The child next to them is wearing a purple coat and a hood, holding a white paper. The child on the far right is wearing a green coat and a hood, holding a white paper. They are all walking towards the right side of the frame. The background shows a grassy area and a fence. The image is framed by a red dotted border and has a blue geometric pattern in the top left corner.

A horizontal line of diamond shapes, with the central diamond being larger and more prominent than the others, which are smaller and arranged in a symmetrical pattern on either side.
