We are updating our reading display board in school. If you would like to send in a fun photo of your child reading at home or out and about, we would love to display it!

2nd April 2026

Dear Parents and Carers,

Thank you for the many kind messages we have received following the sad news about Mr Cinavas. They have meant a great deal to us all, and we truly appreciate your thoughtfulness and support at this difficult time.

Mr Cinavas was a much-valued member of our school community. Not only did he take great care of the school and its grounds, but he also gave so much more of his time and energy. He supported our gardening club, joined us on school trips, and was always willing to lend a helping hand at our summer and Christmas fairs. He will be remembered for his warmth, generosity, and the positive impact he had on so many of us.

When the time feels right, we will come together as a whole school community to celebrate his life and the special place he held in our hearts. We will share further details once we have decided on the most fitting way to remember him.

As we approach the Easter break, I would like to wish you all a peaceful and enjoyable holiday. We look forward to welcoming the children back to school on Tuesday 21st April 2026.

For Geography, Silver Birch completed fieldwork, looking at how much litter is in our area. We tallied the amount and helped to pick it up to make our community a tidier and better place!

In Science, Rowan class have been investigating the relationship between the size of a musical instrument and its pitch.

2nd April - Last day of term
21st April - First day back to school
7th May - Y1/Y2 trip to Belton House

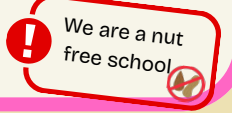

OUR SCHOOL VISION

By our whole school community living by the Christian principles of respect, resilience, relationships, reverence and responsibility, we will produce children ready for the next stage of their lives.

Five Rs = Ready for Life

"I have come that they may have life, and have it to the full." John 10:10
