

Heckington St. Andrew's C of E Primary School Newsletter

14th May 2026

Dear Parents and Carers,

This week, we are incredibly proud of our Year 6 pupils, who have completed their KS2 assessments. They have worked extremely hard, shown great determination and resilience, and approached the week with such maturity and positivity. Most importantly, they have all done their very best, and that is something to celebrate. Well done, Year 6!

Our younger pupils have also been enjoying some wonderful learning opportunities beyond the classroom. Year 1 and Year 2 had a fantastic time during their visit to Belton House last week, while Year 5 were very fortunate to attend the Railway 200 exhibition in Skegness. The children were a credit to the school throughout these visits, behaving impeccably and representing our school community so well.

We also have several exciting events coming up in the school calendar, including the Year 2 worship for parents and our Creative Arts Exhibition. We look forward to welcoming families to these events and celebrating the children's achievements together.

Judith Bentley
Head teacher

Last chance to donate to
Astri from Year 6

Astri is donating her hair to the Little Princess Trust.

If you would like to donate to Astri towards this valuable cause, please use the link or alternatively we have a cash collection box in the school office. Thank you for your support!

OUR SCHOOL VISION

By our whole school community living by the Christian principles of respect, resilience, relationships, reverence and responsibility, we will produce children ready for the next stage of their lives.

Five Rs = Ready for Life

"I have come that they may have life, and have it to the full." John 10:10

! We are a nut free school

Silver Birch were incredibly lucky to be invited to the LNER Railway 200 Exhibition! During our visit, we learnt all about the past, present and future of the railway industry. We explored lots of exciting interactive activities, took part in quizzes and scavenger hunts, and even enjoyed an ice cream for all our hard work!

We also discovered more about the many careers available within the railway industry, which we all found really interesting and inspiring. A huge thank you to everyone who helped organise this amazing trip and for giving us the opportunity to attend for free – we had a fantastic time!
