18th June 2026

Year 4 had a brilliant time at the Mini Olympics despite the weather forcing the event indoors. Our pupils' enthusiasm in each activity and excellent behaviour were commented on as was the brilliant banner for our Commonwealth country, Kenya, that the children made with Mrs Reffell.

Dear Parents and Carers,

It has been lovely to meet our new Reception starters this week during their first transition visit. The children settled in wonderfully, and we thoroughly enjoyed welcoming them into our school community.

We are very much looking forward to seeing them again next week for our whole-school Transition Day. On this special day, every class will move up to their new classroom and spend the day with their teacher for the next academic year. This provides an excellent opportunity for children to become familiar with their new learning environment and begin building relationships with their new teachers.

Meanwhile, our Year 6 pupils will be spending the day at their new secondary schools, helping them prepare for the exciting next step in their educational journey.

We hope all of our children enjoy this valuable opportunity to build confidence and excitement for the year ahead.

Yours sincerely,

Judith Bentley
Head teacher
