

Heckington St. Andrew's C of E Primary School Newsletter

25th June 2026

Dear Parents and Carers,

I would like to say a sincere thank you to all our families for your patience, understanding and co-operation during this week's spell of extreme hot weather. Your support has been greatly appreciated as we have adapted our routines to ensure that all children remained as safe and comfortable as possible.

The forecast suggests that temperatures will return to more seasonal levels next week. Therefore, from next week onwards, we will expect children to return to wearing their usual school uniform, except on PE days when they should continue to wear their PE kit.

Should we experience any further extreme heat, we will of course review and put measures in place again.

A reminder that tomorrow is our Transition Day. To help children stay comfortable, they may come to school wearing their PE kit or other suitable cool clothing.

We would also like to wish all of our Year 6 children a wonderful day at their new secondary schools. We hope they enjoy the opportunity to meet new teachers and classmates, explore their new surroundings, and begin the exciting next step in their educational journey.

Thank you once again for your continued support.

Yours sincerely,

Judith Bentley
Head teacher

Swap a book and discover a new favourite read

Enter the raffle for your chance to win some fantastic prizes

Enjoy some delicious cakes

Don't miss out - the raffle draw takes place at 4:00pm!

OUR SCHOOL VISION

By our whole school community living by the Christian principles of respect, resilience, relationships, reverence and responsibility, we will produce children ready for the next stage of their lives.

Five Rs = Ready for Life

"I have come that they may have life, and have it to the full." John 10:10

On Friday, the children in KS2 enjoyed a fantastic cooking session, where they made Tandoori Chicken and Bombay Saag Aloo. Throughout the day, they learned about food hygiene and safety, practised using the bridge and claw cutting techniques, and explored the nutritional value of the ingredients used in their dishes. The children did a brilliant job preparing and cooking their meals and thoroughly enjoyed tasting the finished products. The adults were very impressed too - we all agreed they were delicious! We hope the children enjoyed the experience and feel inspired to have a go at making the dishes again at home.
