JULY

Dear Parents and Carers,

It's hard to believe we're already in July! While there isn't much longer left in this school year, we still have a busy few weeks ahead with lots of exciting events planned. Please keep an eye on our calendar of key dates to make sure you don't miss any important occasions.

Our Year 6 pupils are busy preparing for their end-of-year production and Leavers' Service. These are always very special moments as we celebrate their time with us before they move on to the next stage of their education. Parents and grandparents are warmly invited to join us for both events, and we look forward to sharing these memorable occasions with you.

You may also be aware of the forecast for high temperatures and the potential for further heat warnings next week. We will continue to monitor the situation closely and make any necessary adjustments to ensure everyone remains safe and comfortable. As always, we will keep you informed of any changes.

Yours sincerely,
Judith Bentley
Head teacher

Oak Class

This term, we have been exploring drawing in Art. We experimented with a range of drawing materials, including pencils, crayons, chalks, and felt-tip pens, learning about the different effects each medium can create.

We then moved on to drawing self-portraits. Using mirrors, we carefully observed the features of our faces, paying close attention to their shape, size, and position. We worked hard to include all of our facial features accurately, developing our observation skills and growing in confidence as artists.
