Dear Parents and Carers,

Year 6 enjoyed a very informative waste workshop on Monday morning, learning more about waste, recycling and how we can all make a difference by making more sustainable choices. It was great to see them engaging so enthusiastically with this important topic.

Next Friday, we will be holding a non-school uniform day for all children. In return, we kindly ask each child to bring in an item for our chocolate tombola at our forthcoming Christmas Fair. Your donations will be very much appreciated and will help make our Christmas Fair a success. Thank you, as always, for your support!

We would love to welcome parents and families to our Year 6 class worship next Tuesday at 9.00am. The children are looking forward to sharing some of the learning they have been doing this term, and we hope you will be able to join us for this special opportunity to celebrate their work.

I am pleased to share our after-school club offer for this academic year. Please take a little time to read through the information carefully, particularly the ground rules and expectations around signing up for sessions, so that everyone understands how the booking process works. Bookings for the sessions after half-term will open very soon, and we will share further information as soon as they are available. Thank you for your support in helping us to run the club smoothly for all our children and families.

Yours sincerely,

Mrs. Judith Bentley
Head teacher

OUR SCHOOL VISION

By our whole school community living by the Christian principles of respect, resilience, relationships, reverence and responsibility, we will produce children ready for the next stage of their lives.

Five Rs = Ready for Life

"I have come that they may have life, and have it to the full." John 10:10

AFTER-SCHOOL CLUBS 2026 - 2027

After-School Clubs

We are delighted to share our programme of after-school clubs for the remainder of this academic year. We love being able to offer a range of fun and interesting activities for our children, and we are very grateful to the members of staff who give up their own time to run these clubs.

Booking for clubs will open term by term. This means that, towards the end of each term, we will share the clubs on offer for the following term and bookings will open through Arbor.

A few important ground rules

As clubs are often very popular and places are limited, we want to make sure that the opportunity is fair to everyone. Please only book a club if your child genuinely wants to attend. By booking a place, you are committing to your child attending every session of the club, unless they are ill or there is another unavoidable reason why they cannot attend. We ask children to make this commitment because it helps them to develop important qualities such as commitment, responsibility and resilience. It also means that a place is not being held for a child who does not attend, when another child may have really wanted to take part.

If a child regularly fails to attend a club without a good reason, we may need to restrict their ability to book future clubs. This is not something we want to do, but we need to ensure that limited places are used fairly.

Behaviour expectations

Our after-school clubs are intended to be fun, enjoyable and a little different from the normal school day, but our expectations for behaviour remain exactly the same.

Children are expected to:

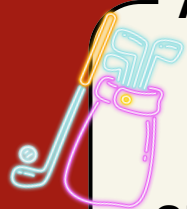

- listen to the adult running the club;
- follow instructions;
- treat adults and other children with respect;
- behave safely and sensibly;
- show kindness and consideration to others; and
- take care of equipment and resources.

If a child is unable to meet these expectations, they will receive two warnings. If their behaviour continues to be inappropriate after these warnings, they will no longer be able to attend that particular club.

This is important not only to support the adults who generously give their time to run the clubs, but also to ensure that all of the children attending are able to enjoy themselves and take part safely.

We really do love offering after-school clubs and seeing children trying new things, developing interests, spending time with friends and building their confidence and resilience. Please support us by helping your child understand the commitment they are making when they sign up. ✨
