Dear Parents and Carers

We have now completed our migration across to Arbor, which is set to make communication much smoother for everyone.

You should now have access to the parent portal or Arbor App - it's a great way to stay connected with school life. From booking parent evening slots to signing up for clubs or trips and managing wrap around care, everything is now in one convenient place.

Thank you for your patience during this transition.

Our parent consultations are coming up in October, and you'll soon be able to book these through the new system - we will let you know when booking are open.

Should you encounter any difficulties navigating the new system, our administrative staff - Mrs Kelby and Mrs Mason - are available at the school office to provide support and guidance.

Yours sincerely

Mrs. Judith Bentley

OUR SCHOOL VISION

By our whole school community living by the Christian principles of respect, resilience, relationships, reverence and responsibility, we will produce children ready for the next stage of their lives.

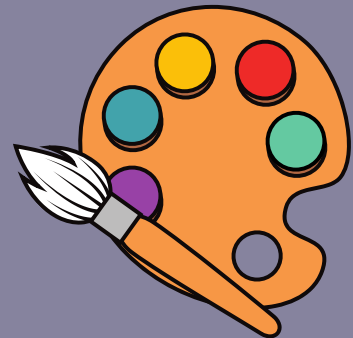

Five Rs = Ready for Life

"I have come that they may have life, and have it to the full." John 10:10

In Willow Class, we have been learning about life processes. We have been identifying if things were alive, once alive or never alive and how to spot these. We then went onto the school field to see what we could find under these headings.

We have enjoyed getting to know the children in Oak class. They have been painting their own self-portraits!
