

Heckington St. Andrew's C of E Primary School Newsletter

2nd October 2025

Dear Parents and Carers,

The children are busy practising and getting ready for our harvest festival, and we'd love you to join us at St. Andrew's Church at 9.30 a.m. next Monday morning. We kindly request that any donations for the Sleaford Community Larder be brought into school on the morning of 6th October, this is a great way to help and support our local community.

I would like to draw your attention to some important safety considerations at the end of the school day. We're asking parents to help us keep everyone safe by making sure your children:

- Don't ride scooters on the playground
- Stay off play equipment after school hours

Can we also please ask that, when you are collecting your children, you leave the playground as promptly as possible so that we can secure the site for our after-school club.

We really appreciate your help in keeping our school safe.

Yours sincerely

Mrs. Judith Bentley

Head teacher

**DON'T
FORGET**

**Parent consultation evenings can be booked on
your parent portal on Arbor.**

**If you have any difficulties, please speak to
the school office**

Diary

Monday 6th October - Harvest Festival 9.30am in Church

Harvest festival

Monday 6th October 9.30am in Church
All welcome

If you are able to donate any tinned or packet produce for the New Life Community Larder, we would be most grateful.
Please bring any donations to school on the morning of 6th October.

OUR SCHOOL VISION

By our whole school community living by the Christian principles of respect, resilience, relationships, reverence and responsibility, we will produce children ready for the next stage of their lives.

Five Rs = Ready for Life

"I have come that they may have life, and have it to the full." John 10:10

This term, in Art, Year 6 have been working on different types of photography. First we studied photomontage in the Dada style, next was Edward Weston's style of monochromatic macro photography. Then, we made our own album covers and experimented with the saturation of colour in the style of Derrick O Boeteng. Our most exciting and fun piece of photography where we recreated famous art works and photographed them. We experimented with props, lighting and backgrounds to make sure our recreations were as accurate as possible. We recreated Leonardo Da Vinci's Mona Lisa, Gustav Klimt's The Kiss, The scream by Edvard Munch and finally, The girl with a pearl earring by Johannes Vermeer. I think you will agree that the children did an excellent job.
