

Heckington St Andrew's Church of England Primary School Newsletter

22nd October 2020

Dear Parents/Carers

I would like to thank you all for your continued support during our first term back. You have adapted to our new procedures in an understanding way during these turbulent times.

I am extremely proud at how the children have settled in to their new routines. It has been wonderful to see how much they have enjoyed their learning during the term.

Also a huge thank you to all the staff who have worked so incredibly hard behind the scenes for the children and school community.

I wish you all a restful half term and look forward to seeing you all back in school on Monday 2nd November.

Yours sincerely
Mrs Bentley

Our aim is to inspire, engage and motivate our children to ignite a passion for learning so that they can succeed and reach their full potential. We provide a creative and nurturing environment where children can explore, discover and learn through real life experiences to build the foundations for a lifelong love of learning.

We fully believe that a strong partnership between parents and staff is essential and so we operate an open door policy and encourage parents to be fully involved in their child's education. We have strong links with the local community including St. Andrew's church.

Whilst academic success is important, at St. Andrew's we strive to educate the whole child through a varied, engaging curriculum and extra-curricular activities as well as encouraging interest in the arts, music and sport.
