

Heckington St Andrew's Church of England Primary School Newsletter

25th June 2020

Dear Parents and Carers,

I hope this newsletter finds you all well.

We are currently finalising our plans to help the children transition to their new classes in September. Please watch out for messages via Parent Hub and Seesaw in the next couple of weeks as to how this is going to work.

In line with Government guidance, we are now informed that there will be no extension to the provision for keyworker and vulnerable children after the end of this term. We have a growing list of external clubs and provisions which we will be sending out as we receive them.

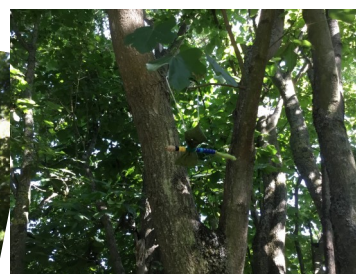

It is also our intention to regain our missed training days due to the Covid pandemic so that we can ensure that we are fully prepared for September opening. With this in mind, it would be our intention that school will close on Friday 17th July instead of Tuesday 21st July to allow for this. Please let us know by Monday 29th June if you have any concerns with this. You can contact us by telephone or via email on enquiries@heckington.lincs.sch.uk.

Finally, please do share any pictures with us of what you have been getting up to at home. I'd love to share them in the newsletter!

Warmest wishes,

Mrs Bentley

Over the last two weeks we have been completing art activities with the children. We made dragonflies and the children, they have put them up in the trees in the forest area and they look beautiful. We have also made tree elves, first from paper and then from salt dough, which they then finished by painting.

Thank you to everyone from the community who donated wood to the school. The children have been very busy making a bird house, a hedgehog house, a squirrel bench as well as a wormery! These will enhance our woodland area at school so thank you for your generosity. The children have really enjoyed their project.

always REMEMBER
YOU ARE BRAVER
THAN YOU BELIEVE
STRONGER
THAN YOU SEEM
SMARTER
THAN YOU THINK
AND LOVED
-MORE THAN YOU KNOW-
