Dear Parents and Carers.

Hazel class absolutely shone in their performances of The Island that Rocks this week. The pupils were fantastic – their singing, dancing, and acting were brilliant, and you could see how much they enjoyed being on stage. It was such a joy to watch and really shows what amazing talent we have in our school.

Your child's end of year report will be coming home this evening, giving you a full picture of how they've got on this year. If you'd like to discuss anything in the report, please get in touch with your child's class teacher and they'll be happy to have a conversation with you.

We've got some exciting things coming up as we move towards the end of the year: Year 4's music concert on Monday, Reception and Year 1's worship service on Wednesday, and our leavers assembly on 22nd July to finish off the year.

Best wishes,
Judith Bentley

OUR SCHOOL VISION

By our whole school community living by the Christian principles of respect, resilience, relationships, reverence and responsibility, we will produce children ready for the next stage of their lives.

Five Rs = Ready for Life

"I have come that they may have life, and have it to the full." John 10:10

Oak Class have been working hard in English this term. They have been practising their handwriting, focusing on forming all their letters correctly. They've also been writing a variety of sentences using the phonetic knowledge and sounds they have learned in phonics. Throughout their work, they remember to include capital letters, full stops, and finger spaces to make their writing clear and neat.
